

TOKAI®

- Made to Last -

Tokai Power Sprayer is developed to be comfortable for the operator. The back padding is ventilated and the shoulder straps are broad to give maximum support to the operator so that it gives less tiredness to the operator. The engine and starter have been designed so the machine starts quickly with minimum effort. Resistance in the starter cord is reduced by up to 40%. Delivered with a adjustable nozzle and a lance nozzle with extension. The connection has a swivel. All for effective use in various applications
